Map of Amelia Island

Navigating the Island

Most of Amelia Island is within the city limits of Fernandina Beach, Florida, the county seat of Nassau County. There are also a few unincorporated communities on Amelia Island, such as Amelia City, American Beach, and Franklinton.

For purposes of this guide, the restaurants, amenities, and attractions on Amelia Island will be separated into three basic geographical areas:

Southern Resort Area

The Omni Resort is located near the southern tip of the island, with the Ritz Carlton Resort approximately 3.5 miles to the north on the A1A. There are additional golf courses stretching for a couple of miles north of the Ritz Carlton. Many of the businesses and restaurants in this portion of the island cater to the residents and visitors of the resorts.

Central Island

This area of the island, stretching north from the Fernandina Beach Municipal Airport, has public beaches on its east side and a variety of businesses catering to the beachgoing crowds and the local community, including casual eateries, local shopping, and large grocery stores such as Publix, Winn-Dixie, and Walmart.

Historic Downtown Fernandina Beach

In the far northwestern portion of the island, approximately 10 miles from the Omni Resort (20-25 minutes by car), is a 50-block historic district with upscale and casual dining, shopping full of eclectic and independent shops, local history museums and markers, and local art.
